Vocabulary

Chapters 8-15

Horizon: the line where the Earth's surface and the sky meet.

Churning: to move or turn vigorously

Piercing: sharp, loud, shrill, or extremely high-pitched sound

Debris: scattered pieces of waste or remains

Gauze: a thin loosely woven fabric used for dressing wounds

Splintered: to break into small sharp fragments

Grime: dirt ingrained on the surface of something

Trident: a three-pronged spear, usually attributed to Poseidon.
